---

Good Evening Church Family,

As you know, we are in the midst of a global outbreak of the Corona virus. This is something unlike our world has ever known in our lifetime. It is the job of this leadership to ensure the safe worship of all our people. Therefore, regardless of your personal feelings about the virus, we plan to adhere to the leadership of our elected officials and the leadership of our fellow churches.

We have some measures that we are prepared to take for the safety of our church members and encourage your support. These measures are not faithless measures but rather measures of wisdom in the face of a global crisis. There were many times when God's people were directed to cover themselves or even hide or remain behind locked doors until evil would pass them by. This is called Godly wisdom and for this we are thankful. We will be faithful in prayer and diligent in our practices to come through on the other side of this with everyone safe and sound.

Proverbs 27:12 The prudent sees danger and hides himself, but the simple go on and suffer for it.

Effective immediately:

- Sanctuary and common spaces to be cleaned and disinfected each week and children's spaces after every use.
- Coffee Hour is suspended and doors will be open at 9:30 am
- Greeters and Ushers will continue to welcome you warmly, but will refrain from offering handshakes, high fives and hugs.
- If you are sick, elderly or have a compromised immune system for any reason, please remain home to rest & recover. We are working on posting recorded services. We will keep you informed on this.
- Practice basic hygiene. Cough or sneeze into your elbow or tissue and immediately wash your hands, use hand sanitizer when washing is not possible which is available in the lobby for your use.
- Changes in communion & offering will be communicated during morning announcements.
- Look for ways to minister to those most affected by this situation. Shut-ins, elderly, children not in school etc.
- Pray. The greatest measure the believer can take. Pray protection and provision over yourself, your family, your community and those suffering around the globe.
- Bible study, prayer and youth group are still being held at this time, We will update as necessary.

Thank you for your time and support! Virtual Hug!

Pastor Tom
